WELCOME

Welcome to the Leader's Substance Abuse Reference CD. This reference tool was provided to you, because as a leader you are an integral part of the Army's Substance Abuse Program. Your knowledge, decisions, and actions impact how your Soldiers view and use drugs and alcohol. I highly encourage you to view the contents of this CD and keep it available as a powerful reference tool; the knowledge you gain may save a Soldier's career, family, or life and enhance your unit's readiness posture.
